

*H*ORDERNS WINE LIST

This wine list has developed over the years by combining the best available wines to match the exquisite dishes that are served by Executive Chef Thomas Ege and his team, bringing you the best from Australia and France.

Our local wine choices have been selected not only for their distinct cool climate feel, but also to show off the regions' eclectic mix of wine styles. There are more wines to be added to this list in the future as the wine makers of the Southern Highlands continue to develop and perfect their product for the world to enjoy.

Milton Park is also proud to have formed an association with an independent importer of exceptional wines from Burgundy (Bourgogne), Bordeaux, and Champagne in France sourced from small family run estates. We can now offer our guests access to limited release Champagne, Chablis, Burgundy and Clarets that are rarely seen in Australia.

For those traveling through the world of wine, the Holy Grail must surely be Bourgogne with its finely crafted Chardonnays and Pinot Noirs. Bourgogne wines are recognised as some of the finest, most complex and alluring wines that these varieties produce. We hope you take advantage of these rare wines and the unique tasting experience they offer.

We trust that you will have a most enjoyable dining experience and look forward to hosting you.

Due to the nature of our boutique wines, vintages may be subject to change

Dom Pérignon (1638–1715) was a Benedictine monk who is frequently credited with the invention of Champagne. The most famous of Champagne, Moet & Chandon “Dom Pérignon” is named in his honour. In the late 17th century, Dom Pérignon discovered that by blending the wine from several of his best vineyards, he could produce a wine greater than any of its components.

A simple rule of thumb in Australia: In cooler climates, Australian Cabernet Sauvignons increase their structuring tannins, retain acidity and take on slightly earthier and herbal flavour characteristics. In warmer climates, the Cabernet Sauvignon is characteristic of dark soft and generous flavours such as chocolate and tobacco.

Syrah is responsible for some of the darkest full-bodied red wines in the world. It has dark fruit flavors from sweet blueberry to savory black olive. When you taste Syrah you'll be greeted with a punch of flavor that tapers off and then has a spicy peppery note in the aftertaste.
